AN ORDINANCE ENUMERATING POSITIONS IN THE ANNUAL BUDGET AND APPROPRIATION ORDINANCE FOR THE FISCAL YEAR ENDING JUNE 30, 2011, CONTINUING, CREATING OR ESTABLISHING THESE POSITIONS; ENUMERATING AND INCLUDING THEREIN ALL POSITIONS CREATED BY CHARTER OR STATE LAW FOR WHICH COMPENSATIONS ARE PAID FROM CITY AND COUNTY FUNDS AND APPROPRIATED IN THE ANNUAL APPROPRIATION ORDINANCE; AUTHORIZING APPOINTMENTS OR CONTINUATION OF APPOINTMENTS THERETO; SPECIFYING AND FIXING THE COMPENSATIONS AND WORK SCHEDULES THEREOF; AND AUTHORIZING APPOINTMENTS TO TEMPORARY POSITIONS AND FIXING COMPENSATIONS THEREFORE.

BE IT ORDAINED BY THE PEOPLE OF THE CITY AND COUNTY OF SAN FRANCISCO.

SECTION 1. ESTABLISHMENT, CREATION AND CONTINUATION OF POSITIONS.

In accordance with the provisions of the Administrative Code, the positions hereinafter enumerated under the respective departments are hereby created, established or continued for the fiscal year ending June 30, 2011. Positions created or authorized by Charter or State law, compensations for which are paid from City and County funds and appropriated in the Annual Appropriation Ordinance, are enumerated and included herein.

The word position or positions as used in the ordinance shall be construed to include office or offices, and the word employee or employees shall be construed to include officer or officers.

Section 1.1. APPOINTMENTS AND VACANCIES - PERMANENT POSITIONS.

Section 1.1A. Appointing officers as specified in the Charter are hereby authorized, subject to the provisions of this ordinance, to make or continue appointments as needed during the fiscal year to permanent positions enumerated in their respective sections of this ordinance. Such appointments shall be made in accordance with the provisions of the Charter.

Appointing officers shall not make an appointment to a vacancy in a permanent position until the requisition for such service is approved by the Controller. Provided further, that if the Mayor declares an intent to approve requisitions due to unanticipated financial reasons, appointing officers shall not make an appointment to a vacancy in a permanent position until the requisition for such service is approved by the Mayor. Provided further, that if changes occur to the classification, compensation, or duties of a permanent position, appointing officers shall not make an appointment to a vacancy in such position until the requisition for such service is approved by the Human Resources Department. Provided further, that in order to prevent the stoppage of essential services, the Human Resources Director may authorize an emergency appointment pending approval or disapproval of a requisition, if funds are available to pay the compensation of such emergency appointee.

Provided that if the proposed employment is for inter-departmental service, the Controller shall approve as to conformity with the following inter-departmental procedure. Appointing officers shall not authorize or permit employees to work in inter-departmental service unless the following provisions are complied with. The payment of compensation for the employment of persons in inter-departmental service shall be within the limit of the funds made available by certified inter-departmental work orders and such compensation shall be distributed to the inter-departmental work orders against which they constitute proper detailed charges.

A. In the event the appointing officer is unable to employ a qualified person to cover the work schedule of a position herein established or authorized, the appointing officer, subject to the provisions of this ordinance and the appropriation ordinance and with the approval of the Human Resources Department, may at his/her discretion employ more than one person on a lesser work schedule but the combined salaries shall not exceed the compensation appropriated for the position, or may appoint one person on a combined work schedule but subject to the limitation of the appropriation and the compensation schedule for the position and without amendment to this ordinance.

B. Where a vacancy exists in a position the Human Resources Director, may and is hereby authorized to approve a temporary (diverted) requisition in a different class, provided that the Controller certifies that funds are available to fill said vacancy on this basis, and provided that no action taken as a result of the application of this section will affect the classification of the position concerned as established in the budget and annual salary ordinance.

An appointing officer, subject to the provisions of this ordinance, the Annual Appropriation Ordinance, the Controller's certification of funds and Civil Service certification procedures may employ more than one person on a combined work schedule not to exceed the permanent full-time equivalent, or may combine the appropriations for more than one permanent part-time position in order to create a single full-time equivalent position limited to classifications of positions herein established or authorized and their respective compensation schedules. Such changes shall be reported to the Human Resources Department and the Controller's office. No full-time equivalent position which is occupied by an employee shall be reduced in hours without the voluntary consent of the employee, if any, holding that position. However, the combined salaries for part-time positions created shall not exceed the compensation appropriated for the full-time position, nor will the salary of a single full-time position created exceed the compensation appropriated for part-time positions. Each permanent part-time employee would receive the same benefits as existing permanent part-time employees. The funding of additional fringe benefit costs subject to availability of funds will be from any legally available funds.

Section 1.1B. With the exception indicated in F, the Human Resources Director is solely authorized to administratively amend this ordinance as follows:

- A. To change the classification of a position provided that the rate of pay is the same or less and the services are in the same functional area.
- B. To adjust the compensation of a position pursuant to a ratified Memorandum of Understanding or ordinance of the Board of Supervisors.
- C. To adjust the compensation of a position when the rate of pay for that position has been approved by the Board of Supervisors in a ratified Memorandum of Understanding or ordinance.
- D. To adjust the compensation of a position pursuant to a Memorandum of Understanding ratified by the Board of Supervisors with a recognized employee bargaining group.
- E. To amend the ordinance to reflect the initial rates of compensation for a newly established classification, excluding classes covered under Administrative Code, Chapter 2A, Article IV, Section 2A.76 and Article V, Section 2A.90.

F. To allow movement between police classes, provided that the total authorized positions allocated to each rank is not increased.

G. The Human Resources Director and Department Heads are authorized to implement interest arbitration awards which become effective in accordance with Section 24 of the Annual Appropriations Ordinance.

H. The Human Resources Director may issue appointments to Class 1229 Special Examiner at any hourly rate of the established salary range. Said appointments shall be considered temporary exempt in accordance with Charter Section 10.104(18). The minimum/maximum hourly range effective July 1, 2010 is \$44.45-\$66.04.

I. The Human Resources Director is authorized to adjust specific allocations within the Management Classification and Compensation Plan (MCCP) and/or to correct clerical errors in the MCCP resulting from the immediate implementation of the MCCP, provided that the rate of pay is the same or less.

J. Consistent with the Annual Appropriations Ordinance Section 11.2, Professional Service Contracts, the Human Resources Director is authorized to add positions funded in accordance with that section.

The Controller, the Clerk of the Board, the Mayor's Office and the affected department(s) shall be immediately notified.

Section 1.1C. Provided further, that if requisitions for vacant permanent positions issued by departments where the Appointing Officers are elected officials enumerated in Article II and Section 6.100 of the Charter (the Board of Supervisors, Assessor-Recorder, City Attorney, District Attorney, Public Defender, Sheriff and Treasurer) are approved by the Controller and are not approved or rejected by the Mayor and the Department of Human Resources within 15 working days of submission, the requisitions shall be deemed approved. If such requisitions are rejected by the Mayor and/or the Department of Human Resources, the Appointing Officers listed above may appeal that rejection in a hearing before the Budget Committee of the Board of Supervisors, who may then grant approval of said requisitions.

Section 1.1 D. The Human Resources Director is authorized to make permanent exempt appointments for a period of up to 6 months to permit simultaneous employment of an existing City employee who is expected to depart City employment and a person who is expected to be appointed to the permanent position previously held by the departing employee when such an appointment is necessary to ensure implementation of successful succession plans and to facilitate the transfer of mission-critical knowledge within City departments.

Section 1.2. APPOINTMENTS-TEMPORARY POSITIONS.

Temporary appointments to positions defined by Charter Section 10.104(16) as seasonal or temporary positions may be made by the respective appointing officers in excess of the number of permanent positions herein established or enumerated and such other temporary services as required at rates not in excess of salary schedules if funds have been appropriated and are available for such temporary service. Such appointments shall be limited in duration to no more than 1040 hours in any fiscal year. No appointment to such temporary or seasonal position shall be made until the Controller has certified the availability of funds, and the requisition for such service is approved by the Controller and the Human Resources Department. Provided further that in order to prevent the stoppage of essential services, the Human Resources Director may

authorize an emergency appointment pending approval or disapproval of the requisition, if funds are available to pay the compensation of such emergency appointee. No such appointment shall continue beyond the period for which the Controller has certified the availability of funds. Provided that if the proposed employment is for inter-departmental service, the Controller shall approve as to conformity with the following inter-departmental procedure. Appointing officers shall not authorize or permit employees to work in inter-departmental service unless the following provisions are complied with. The payment of compensation for the employment of persons in inter-departmental service shall be within the limit of the funds made available by certified inter-departmental work orders and such compensation shall be distributed to the inter-departmental work orders against which they constitute proper detailed charges.

Section 1.2A. Temporary Assignment, Different Department. When the needs and the best interests of the City and County of San Francisco require, appointing officers are authorized to arrange among themselves the assignment of personnel from one department to another department on a temporary basis. Such temporary assignments shall not be treated as transfers, and may be used for the alleviation of temporary seasonal peak-load situations, the completion of specific projects, temporary transitional work programs to return injured employees to work, or other circumstances in which employees from one department can be effectively used on a temporary basis in another department. All such temporary assignments between departments shall be reviewed by the Human Resources Department.

Section 1.3. EXCEPTIONS TO NORMAL WORK SCHEDULES FOR WHICH NO EXTRA COMPENSATION IS AUTHORIZED.

Occupants of the position specified by symbol -Z- shall work such hours as may be necessary for the full and proper performance of their duties and shall receive no additional compensation for work on holidays or in excess of eight hours per day for five days per week, but may be granted compensatory time off under the provisions of ratified applicable Memorandum of Understanding or ordinance. Provided that, subject to the fiscal provisions of the Charter and the availability of funds, the provisions of this section may be suspended to allow overtime payment, pursuant to approval of the Director of Human Resources. Overtime payments shall be limited to extraordinary circumstances which cannot be anticipated or provided through normal scheduling and assignment of available personnel. Further, such payment shall be limited to only those circumstances which are consistently applied to all personnel in a class, regardless of department.

Section 1.3A. Work Performed Under Contract And Compensation Therefore. In the execution and performance of any contract awarded to a city department under the provisions of Charter Section A7.204 and the Administrative Code, the rates fixed herein shall not apply to employments engaged therein, and in lieu thereof not less than the highest general prevailing rate of wages in private employment for similar work, as fixed by a resolution of the Board of Supervisors and in effect at the time of the award of said contract, shall be paid to employees performing work under such contract.

Section 1.3B. Charges and Deductions for Maintenance. The compensations fixed herein for all employees whose compensations are subject to the provisions of Charter Section A8.400 and including also those engaged in construction work outside the City and County of San Francisco, are gross compensations and include the valuation of maintenance provided such employees. Charges and deductions therefore for any and all maintenance furnished and accepted by employees shall be made and indicated on time rolls and payrolls in accordance with the following schedule of charges. Provided, however, that no charge shall be made for meals furnished cooks, bakers, waiters, waitresses, and other kitchen workers while on duty, and that the City shall provide breakfast, dinner, and midnight meals to interns and residents

when they are working in the hospital, and shall provide weekend lunches to interns and residents when they are working weekends on call (the Department may require such interns and residents to provide proof of eligibility for such meals upon request), and provided further that employees of the Hetch Hetchy Project and Camp Mather who are temporarily assigned to perform duties for a period in excess of a normal work day away from the headquarters to which the employees are normally and permanently assigned, shall not be charged for board and lodging at the Headquarters to which they are temporarily assigned.

Reimbursement will be made for actual expenses documented by receipts. Payments under this section are subject to approval by the Controller and the Human Resources Director.

Section 2.3. SUPPLEMENTATION OF MILITARY PAY.

A. In accordance with Charter Section A8.400 (h) and in addition to the benefits provided pursuant to Section 395.01 and 395.02 of the California Military and Veterans Code and the Civil Service Rules, any City officer or employee who is a member of the reserve corps of the United States Armed Forces, National Guard or other uniformed service organization of the United States and is called into active military service on or after September 11th, 2001 in response to the September 11th, 2001 terrorist attacks, international terrorism, conflict in Iraq or related extraordinary circumstances shall have the benefits provided for in subdivision (B).

B. Any officer or employee to whom subdivision (A) applies, while on military leave shall receive from the City, as of the effective date of this ordinance, the following supplement to their military pay and benefits:

1. The difference between the amount of the individual's gross military pay and the amount of gross pay the individual would have received as a city officer or employee, had the officer or employee worked his or her normal work schedule.
2. Retirement service credit consistent with Section A8.520 of the Charter. The City shall pay the full employee contributions required by the Charter to the extent employer paid employee contributions are required under the memorandum of understanding covering the employee.

Such loan shall be payable in equal monthly installments over a period not to exceed 5 years, commencing 90 days after the individual's release from active service or return to fitness for employment, as the case may be.
